Q&A

How do I know CPC will have the parts I need? There's only one word to describe our inventory: Huge. We manufacture and stock parts as direct replacements for all the major brands – Folger Adam, Southern Steel, Brink, Stewart Decatur, Adtec, Airteq...

What's your guarantee? A 100% money-back guarantee on every item purchased from us. Your satisfaction is the sole purpose of our transaction. Period.

How are your prices and service? To answer that, we'll quote the California Dept. of Corrections: "CPC manufactures the majority of these replacement parts, as opposed to being a distributor, and therefore can offer competitive pricing and the benefit of timely in-stock delivery."

The guys who own the place run the place. Brooks Wooten (left) and Christian Hunter own CPC, but they know who the real boss is: the customer. Want to talk to someone in charge? Give either of them a call anytime. They like nothing better than talking to customers. In fact, they spend considerable time in the field, visiting facilities and learning how to serve customers better.

 **RESPONSIVENESS** Don't wait days for a quote and weeks for a part. Call CPC and get the parts you need. Fast. **COMPREHENSIVENESS** We manufacture and stock parts for any brand of detention locks and sliding doors. **INNOVATION** Got a challenge? We can solve problems distributors can't and the OEMs won't. **FLEXIBILITY** Buy a new lock, or ship us the old one. Lock remanufacturing is a CPC specialty. **MONEY-BACK GUARANTEE** We guarantee every item purchased from us. Your satisfaction is the sole purpose of our transaction. **ACCOUNTABILITY** The guys who own the place run the place. They never forget who the real boss is: the customer. Call us toll-free at (800) 580-2820.
